Jo Ann	Fujii	Chicago Aquatic Plant Society	The Chicago Aquatic Plant Society will be selling hobbyist-grown aquatic plants and mosses from easy-to-grow to specialty plants for aquascaping. Since we grow our own plants, we know they are in top condition. In addition, we will have wood and stone of various sizes for sale for aquascaping your tanks. Come see what we have for sale! Our members will be at the swap table and can answer any questions about growing aquatic plants and help select the right plants and hardscape for your tank.
